Arrangement
1. Photographic Material
2. Articles

Form of citation
Material in the Sudan Archive is given a reference number, which is unique across the collections of papers. Usually it is not necessary to give the name of the person or organisation within which collection the item is found, although it may be convenient to do so.
The short form of citation should be GB-0033-SAD reference number
Printed references should take the form: SAD reference number.
1. Photographic Material
